ASSIGNMENT OF FUNDS UNDER  
CAR LEASE AGREEMENT INTERSTATE COMMERCE COMMISSION

THIS ASSIGNMENT is made this 28th day of January, 1982, by SOUTHWESTERN STATES MANAGEMENT CO., a Missouri corporation ("Assignor"), to FIRST CITY BANK OF DALLAS, a Texas banking corporation ("Assignee").

W I T N E S S E T H :

WHEREAS, the Assignor is the owner of the following railroad equipment:

One (1) converted railroad passenger car bearing marks and number MKT 1046

WHEREAS, by Security Agreement dated as of the 28th day of January, 1982, Assignor became obligated to pay to Assignee a certain sum of money used by Assignor to cover a portion of the purchase price of said Cars, together with interest thereon and other sums specifically provided for in the Security Agreement; and

WHEREAS, by Car Lease Agreement, dated as of the 20th day of April, 1981, as amended by Amendment of even date herewith, (as hereafter renewed, extended, modified, or substituted, the "Lease"), Assignor leased the cars to Missouri-Kansas-Texas Railroad Company, a Delaware corporation ("Lessee");

NOW THEREFORE, for and in consideration of the premises and Assignee's payment to Assignor of certain sums of money under the Security Agreement, and in order to secure the full and complete payment of all principal, interest, and other obligations and liabilities of Assignor of whatever nature now or hereafter owing by Assignor to Assignee under the Security Agreement (all such obligations and liabilities, and renewals and extensions of all or any part thereof, herein collectively called the "Obligation"), Assignor hereby assigns, transfers, and sets over unto Assignee all rental payments and other sums of money (collectively, "Rental") due or to become due to Assignor from Lessee under the Lease, subject to and upon the terms and conditions hereinafter set forth:

1. Assignor represents and warrants to Assignee that: (a) Assignor has full power and authority to execute and deliver this assignment; (b) the Lease is in full force and effect and no default (or event which, with the passage of time, notice, or both, could become a default) has occurred thereunder; (c) the Lease is not subject to any defenses, offsets, or counterclaims; and (d) there have been no renewals, extensions, supplements, modifications, or amendments of or to the Lease.

2. Until Assignee gives notice to Lessee of the occurrence of a default under the Security Agreement (herein, a "Default"), Lessee may pay all Rental directly to Assignor. Upon the giving of notice by Assignee to Lessee of the occurrence of a Default, Lessee is hereby authorized and directed to pay directly to Assignee all Rental thereafter accruing, and the receipt by Assignee shall be a release to Lessee to the extent of the amounts so paid. Without impairing its rights hereunder, Assignee may then release to Assignor Rental so received, or any part thereof.

3. As between Assignee and Assignor and any person claiming through or under Assignor other than Lessee (if Lessee has not been given a notice of Default under Paragraph 2 hereof), this assignment is intended to be absolute, unconditional, and presently effective, and the provisions of the first two sentences of Paragraph 2 hereof are intended solely for the benefit of Lessee and shall never inure to the benefit of Assignor or any person claiming through or under Assignor other than Lessee (if Lessee has not been given a notice of Default under Paragraph 2 hereof). It shall never be necessary for Assignee to institute legal proceedings of any kind whatsoever to enforce the provisions of this assignment.

4. Any Rental received by Assignee and not released to Assignor shall be applied first to Assignee's expenses incurred in the collection thereof and then to the Obligation in the order and manner that Assignee shall, in its sole discretion, elect.

5. Assignee shall not be liable for its failure to exercise diligence in the collection of Rental but shall be accountable only for Rental it shall actually receive. Assignee does not, by the execution of this assignment or by its acceptance thereof, assume or become liable in any manner whatsoever for the performance of any of the terms and conditions in the Lease, unless and until Assignee shall expressly assume any such obligations in writing.

6. Nothing in this assignment shall be construed as subordinating Assignee's rights, titles, and interests in and to the Cars under the Security Agreement to Lessee's rights, titles, and interests in and to the Cars under the Lease.

7. Assignor covenants and agrees with Assignee that without Assignee's prior written consent and except as herein provided, Assignor shall: (a) not amend, modify, extend, or renew the Lease; (b) not assign, transfer, mortgage, cancel, or accept surrender of the Lease; (c) not assign, transfer, pledge, or mortgage any Rental; (d) not waive, excuse, release, or condone any nonperformance of any covenants of Lessee; (e) give to Assignee duplicate notice of each default by Lessee; and (f) cause Lessee to agree (and by its acknowledgment hereof Lessee agrees) to give to Assignee written notice of each and every default under the Lease by Assignor and not to exercise any remedies under the Lease unless Assignee fails to cure such default within ten days, or within such longer period as may be reasonably necessary if such default cannot be cured within ten days after Assignee has received such notice; provided that Assignee shall never have any obligation or duty to cure any such default.

8. This assignment shall terminate upon payment to Assignee of all the Obligation.

9. Whenever this assignment requires or permits any consent, approval, notice, request, or demand from one party to another, the consent, approval, notice, or demand must be in writing to be effective and shall be deemed to have been given on the day actually delivered or, if mailed, on the third business day after it is enclosed in an envelope, addressed to the party to be notified at the address stated for such party below (or to such other address as may have been designated by written notice), properly stamped, sealed, and deposited in the United States mail:
